

Entertainment Partners to occupy TurnKey|Louisiana-StageWest venture in Shreveport

Location Expo/Booth # 207—Santa Monica, CA – April 12, 2007 –TurnKey|Louisiana LLC (TK|LA) announced today that Entertainment Partners will be opening Louisiana-based operations in mid-April at the StageWest facility in West Shreveport. The office will allow Entertainment Partners’ payroll and support services to be available to filmmakers as an “in-state spend,” thereby allowing producers to recapture up to 25% of their payroll and accounting expenses under the Motion Picture Act #456.

This announcement follows today’s earlier announcement of a 70,000 square foot facility venture between TurnKey|Louisiana and StageWest. The Shreveport facility will host many of the TK|LA consortium vendors; offering the latest and best maintained equipment to Louisiana’s emerging entertainment industry.

Said **Gary M. Strangis**, Co-Founder of TK|LA: *“We’re thrilled that Entertainment Partners has chosen TurnKey|Louisiana and the City of Shreveport to help get them established in the emerging entertainment industry in Louisiana. Their presence in the state is a significant step toward building an indigenous industry in the state. TK|LA looks forward to expanding its relationship with Entertainment Partners in the near future.”*

Joseph Chianese, EP’s Vice President, Tax Incentives and Business Development, also comments: *“Louisiana has emerged as a significant production community. We are very excited to establish a local tax incentive center there to assist however we can.”*

About TurnKey|Louisiana

TurnKey|Louisiana is Louisiana’s premiere equipment and service provider. Founded by Producers Gary M. Strangis and Bernie Laramie, the company is backed by a consortium of Hollywood’s most respected vendors including Cinelease, Wexler Video, West Post Digital, Coffey Sound, Intervideo and Westwind Media.

TK|LA brings the latest in technology and support to the Louisiana marketplace: Digital camera systems, lighting and grip equipment, set communications, offline edit suites, film lab/telecine, sound and picture finishing. In most cases, TK|LA’s support and services qualify under the in-state spend provisions, helping producers maximize their tax credit recapture.
